## KIT-ANT06-X

External 2G, 3G, 4G GSM antenna recommended to improve GSM reception/transmission with:

- GSM gateways AS0320, AS0360, AS0340V, AS0460 P...
- GSM-GAP,
- GSM-500.

### Technical characteristics

- Frequency ranges: 690-960 / 1710-2170 / 2400-2700 Mhz
- 180° SMA connector
- Nominal impedance 50 Ohms
- Vertical polarization
- Wall mounting bracket
- Antenna height 27 cm
- Operating temperature -20°C +60°C
